

# Ibstock Country Fair 2009

Dear Sir/Madam,

Don't miss the opportunity to attend this years event, which promises to be the biggest and best yet, Our Country Fair, now in it's 14th year, is firmly established as a major event for our Area, and is designed to promote the countryside and the many aspects of country living to a wide cross section of the public, stimulating an interest in country life, country sports and Country pursuits.

We run a full day of Family Entertainment in our Main Arena, supported by many other attractions around the site, and all proceeds raised are for the benefit of Local Charities.

I hope that in deciding to exhibit, our event will provide you with the opportunity to meet a number of customers face to face. Advertisements will be carried in key national and regional publications as well as radio. The cost of having a presence at our country fair is surprisingly little; you can see a breakdown of the rates printed below, along with a simple booking form.

So Don't miss out - fill it in and return it to us today, and I will look forward to seeing you on the day.

*Stuart P Farmer*

£25.00 per pitch (15' x 30') Larger pitches are available by negotiation.

Payment to be made in full on submission of Form
